For Release Friday, February 19, 1971

WARRIORS HOST REDMEN

Tonight at 8:00 p.m. the Loyola Varsity Basketball Warriors meet the RMC Redmen in the last scheduled OSLAA game of this season. With the Nationals only a couple of weeks away the Warriors have been "putting it all together", playing some of their best basketball this season, as evidenced last weekend when they upset the University of Carleton Ravens 89-49 in exhibition play. The Ravens are currently tied for first place in the OQAA.

Although the Redmen have yet to defeat the Warriors, they never stop hustling and have provided the Loyola cagers with some of their closer OSLAA contests.

Tonight's game will see the Warriors once again at full strength with the return of several players who haven't been lining up due to injuries, etc. This is also the last home game for the Warriors before the OSLAA play-offs to be held at Loyola February 26 and 27.
